Re: DCU Business Partnership Excellence Award

Dear Jim:

We are pleased to present your firm with a Business Partnership Excellence Award for your service to DCU during 2007.

This award program, now in its seventh year, is our way of recognizing businesses that provide service to DCU in a fashion that supports our mission and vision and helps us make a difference in the lives of our members. It is also a means to encourage other businesses we work with to follow your example.

Peter Bohush, VP of DCU Realty, nominated Alter Ego 360 Virtual Tours for this honor. If you plan to publicize this award, please feel free to contact Peter for a quote.

We truly appreciate your commitment to DCU.

Sincerely,

Tim Garner  
VP Marketing/Strategic Planning
